SUBJECT No. 747.

A singing master to the girls' school at Malvalli.

Mr. D. Narasimhamurti, Malvalli municipality.

Summary of Representation.—The existing girls' school at Malvalli has a large number of pupils and the work is going on satisfactorily. It is desirable that a singing master should be appointed.

SUBJECT No. 748.

An English school and a Vedic school at Bettadapur.

Mr. Chikka Subba Rao, Hunsur taluk.

Summary of Representation.—Bettadapur is a large village having a boys' school, a girls' school and a Sanskrit school. The boys' school educates up to Kannada Lower Secondary standard. After passing the Lower Secondary Examination, the boys have to go to Mysore City which is 55 miles from the village to join English schools. If an English school be established here this difficulty will be obviated. As the village contains many Brahmins, it would be very useful if a Vedic school be established there.

SUBJECT No. 749.

Construction of sixteen primary school buildings in the different parts of the City.

Messrs. M. Venkatakrishnayya and M. C. Rangiengar, Mysore City, Municipal Council.

Summary of Representation.—The Government may be pleased to construct 16 primary school buildings in the different mohallas of the City, half the cost thereof being recovered from the Municipal Funds in 20 annual instalments.

SUBJECT No. 750.

Reduction of metre charges.

Mr T. M. Siddappa, Mysore taluk.

Summary of Representation.—The Electrical department levy 8 annas per month for metres fixed in shops and houses and this amount will be greater than the cost of metre itself in the course of a few years. The metre charges will not be exorbitant in the case of persons having a large number of lights but it is loss to those having only 4 or 6 lights. It is therefore prayed that the metre charges be reduced to 4 annas per month or exemption granted after the cost of the metre is recouped.

SUBJECT No. 751.

An anikat across the Hebbala at Anegala.

Mr. B. Ramanna, Krishnarajpete taluk.

Summary of Representation.—An anikat may be built across the Anegala in the Kikkeri hobli, near Kadahambige and irrigational facilities afforded by connecting this with old Madapur channel and extending the same. By this many of the lands will be converted into wet in Bedarahalli, Kalenahalli, Kuppahalli, etc. This fetches an increased revenue to Government and will be a source of livelihood to raiyats.

SUBJECT No. 752.

A bridge across the Suvarnavati river.

Mr. Doraswami Iyengar Chamrajnagar taluk.

Summary of Representation.—It is very inconvenient for the public during the flood season to cross the river as there is neither a bridge nor a boat. It is requested that a bridge be constructed early near Chandakavadi by the side of the forest road.

SUBJECT No. 753.

Halsur project.

Messrs. M. Subba Rao and Syed Rahim Sab, Heggaddevankote taluk.

Summary of Representation.—It is prayed that the construction of the anikat across the Bhrigu river near Halsur, now borne on the list of famine works, be expedited. The estimates and other preliminaries were sanctioned some 7 or 8 years ago.
